ORDER

At today's status conference, with both parties appearing, the Department attorney advised that she had not sent out the previously ordered written discovery requests due to the possibility that a related matter would be filed in the Tribunal. As this related matter did not materialize, Department counsel requested additional time to issue the Department's discovery requests in the present case. This request is allowed and it is ORDERED that:

1) the Department has an additional 14 days from today's date to issue its requests for written discovery, and the Petitioner has 30 days from service of written discovery to provide her responses to the Department; and

2) the matter is reset to August 23, 2016, at 9:30 a.m., by telephone.
