ORDER

1. This Order applies to 20 TT 135- CSX Transportation, Inc. v. IDOR and 21 TT 125- CSX Transportation, Inc. v. IDOR, as well;
2. During today’s status conference, the Department notified the court that it has yet to schedule an internal meeting to discuss pending settlement discussions and to seek approval/authority to accept, reject or counter any pending offer (a response by the Petitioner was sent on August 23, 2022) and to communicate its position back to the Petitioner despite the court being told previously that such a meeting would take place. The Department anticipates having such a meeting the week of October 17th which will add another two weeks to the delay in this case.
3. The next status conference will be held on November 10, 2022 at 10:00 a.m. (CST) by telephone. The parties will report on the progress, if any, in their settlement negotiations. Absent any progress, an in-person conference will be scheduled and held at the Tax Tribunal shortly

thereafter. All persons necessary to approve/authorize a settlement will be required to attend.
