**ORDER**

Today, the Petitioner filed a Motion for Summary Judgment. In the motion, the Petitioner requests 1) an extension to issue written discovery and 2) oral argument on its Summary Judgment Motion. In response, the Department advised the Tribunal in an email that it opposes an extension of time to issue discovery and that it wishes to file a Motion to Stay briefing and oral argument on the Motion for Summary Judgment until discovery is complete.

It is hereby ORDERED:

1. An extension of time to issue written discovery will be granted to both parties; and
2. The Department will be given until March 27, 2015 to file a Motion to Stay. Both parties should be prepared to discuss the Motion to Stay and the Motion for Summary Judgment at the next scheduled status conference which was previously set, and will remain, on March 31, 2015 by telephone at 10:15 a.m. (CST). At that time, the Court will determine whether or not to stay the Motion for Summary Judgment and set a new discovery schedule or whether to set a schedule

for further briefing and for oral argument on the Motion for Summary Judgment with or without a new discovery schedule.
