**ORDER**

The Petition in this matter has been accepted by the Tribunal.

Part of the relief demanded is the lifting of a lien in order for the Petitioner to sell his house. While the Tribunal has jurisdiction to adjudicate the underlying Notice of Personal Liability, it does not have the authority to intercede in any collection matter a Petitioner may have with the Department. However, the time for the Department to file its Answer will be stayed until further notice and an initial status conference will be set for April 17, 2015 at 9:00 a.m. by telephone. The Tribunal will initiate the conference call. The attorney for the Department who is assigned this matter should contact the Tribunal and the Petitioner by email in order for Tribunal and Petitioner to have contact information. The Tribunal will initiate the conference call.
