ORDER

On October 2, 2015, the Tribunal dismissed this matter without prejudice after Petitioner failed to file a corrected petition through an attorney on a third extension of time. On that same date, Petitioner, by one of its members, informed the Tribunal by email that it was pursuing remedies in circuit court. Today, the member has emailed Tribunal seeking to reinstate the Petitioner's case because the circuit court dismissed that action in response to the Department's motion.

It is thus ORDERED that by December 23, 2015, the Petitioner will provide the Tribunal with copies of the Department's motion to dismiss filed in the circuit court, its response, if any, and the circuit court's dismissal order. The documents may be provided in portable document format by email attachment and copied to the Department counsel handling the circuit court matter. The matter will then be taken under advisement.
