REQUEST FOR DISCRETIONARY LATE HEARING

Pursuant to Illinois Independent 86 Ill. Admin. Code 5000.310(a)(5), Petitioner, Crestwood Services, LLC (“Crestwood”) hereby petitions the Illinois Independent Tax Tribunal to grant a discretionary late hearing in the above referenced matter. Petitioner inadvertently postmarked the original petition one (1) day after the due date for the following eight (8) Notices of Tax Liability (“Notices”) that were issued on July 5, 2018:

Notice ID CNXXX11984964647

Notice ID CNXXX19314X98724

Notice ID CNXXXX6616255523

Notice ID CNXXXX1865794X84

Notice ID CNXXX17353673768

Notice ID CNXXX126X3212320

Notice ID CNXXXX39319XX961

Notice ID CNXXXX72345X32X8

These Notices cover the exact same subject matter and tax issues as the remaining ten (10) Notices which were timely protested. As the subject matter and taxes at issue are identical, the error was a simple mistake and as the postmarked date of the petition was only one day after the filing deadline for these Notices, Petitioner requests that this request for a discretionary late hearing be granted.
