ORDER

In an agreed motion to dismiss filed by the Petitioner's counsel on June 26, 2020 by email attachment, and copied to the Department attorney, the parties have advised the Tribunal that the Department has issued an error notification response letter removing the penalty at issue and restoring the full credit requested to the Petitioner's account for the tax period in issue. Accordingly, as all matters have been resolved, and the Petitioner does not owe the disputed late estimated payment penalty for the tax year ending February 3, 2018, it is ORDERED that this case is dismissed with prejudice.
