Petitioners,

v.

ILLINOIS DEPARTMENT OF REVENUE,

Respondent.

Case No. 20 TT 45

Chief Judge James M. Conway

AGREED ORDER

Whereas, the parties, JSS Holdings Inc. (“JSSH Inc.”), JSS Holdings LLC (“Holdings LLC”), and JSSI Management Enterprises LLC (“Enterprises LLC”), collectively “the Petitioners,” and the Illinois Department of Revenue (“Respondent”), have advised the Tax Tribunal as follows:

1. Respondent’s audit staff has examined Petitioners’ amended returns for the years at issue in this cause and has represented to Petitioners that it will accept the returns and will, upon dismissal of this action, proceed to process the refunds due Petitioners; and
2. Such representations by Respondent to Petitioners have been confirmed by counsel for Respondent, and support cancellation of the notices denying Petitioners’ claims.
3. To expedite Respondent’s processing of refunds to Petitioners, and to avoid the ministerial but time-consuming process of cancellation of the notices of denial, based upon the

aforesaid representations by Respondents, Petitioners agree to voluntarily dismiss the instant action and Respondent agrees to accept that dismissal in lieu of its cancellation of the notices.
